

SAWA ALBATROS

NUUSBLAD

UIT DIE BURGEMEESTER SE PEN

Beste Albatrossers

Die afgelope Paasnaweek was dit my en Louise Viljoen se voorreg om die Presidente saamtrek by Klipdraai by te woon. Daar was 184 woonwaens die naweek teenwoordig. Ons is goed ontvang en het in 'n goeie toegeruste woonwa van R320 000 geslaap.

Dit was 'n heerlike kuier naweek met 'n baie goeie gees tussen vriendelike

mense wat vir my en Louise baie goed ontvang het. Die gees van Paasfees was ook teenwoordig en Willie Joubert en sy vrou het die boekvat deur die naweek hanteer. Saterdag was die groot kermis in die tent met baie heerlike eetgoed wat te koop was. Daar was ook verskeie ander goed te koop. Die kermis het vir SAWA ongeveer R97 000 verdien. Dit is 'n naweek wat ek beslis vir almal sal aanbeveel.

Burgemeesters groete

Christo

GEDAGTE VIR DIE DAG...

Die lewe word gekenmerk deur keuses. Ons kan dit beskryf as gewone keuses, byvoorbeeld: Watter uitrusting en klere verkies ek, of meer gekompliseerde keuses soos 'n huweliksmaat en 'n beroep. Soms moet jy net kies tussen reg en verkeerd en met watter vriende jy meng. Om dié keuses te maak, is nie noodwendig maklik nie, en jy soek dikwels hulp en raad.

Die volgende is tog belangrik:

Jy mag maar foute maak in die keuses wat jy uitoefen, want daar is altyd ander moontlikhede om 'n saak te hanteer. Jy kan goeie keuses maak as jy bereid is om na ander te luister.

Goeie keuses berus op die feit dat jy die voor- en nadele van 'n besluit teen mekaar kan opweeg en in vertroue 'n besluit neem. Die begrip keuse het as grondslag dat jy jou gawes ken. Dit is om nie oorhaastig besluite in jou lewe te neem nie.

Omdat keuses jou hele lewe kan beïnvloed, is dit raadsaam om te luister na ander en na die Here. Dan lees ek in Psalm 119: 9: "Hoe kan 'n jongmens sy lewe skoon hou? Deur hom te hou aan u woord."

Ons kan vandag begin met ons keuse om vir die Here te vra: "Here, wat is u wil vir my lewe?"

De Hollandsche Molen

Die naweek van 2-4 Maart was daar 'n kamp by Hollandsche Molen. Daar was altesaam 27 Albatros lede en 7 gaste.

Die kampleiers vir die naweek was Francois en Wilma Vivier

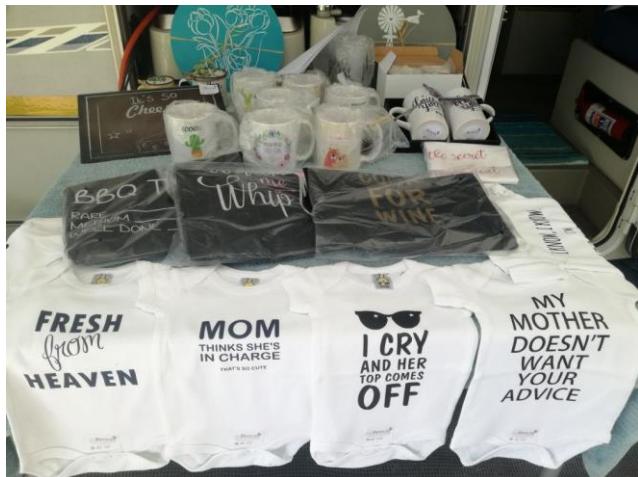

Dit was 'n baie rustige en warm naweek.

Vrydagaand was boekvat en almal moes inteken. Saterdag was markdag waar die lede hul handewerk kon verkoop aan die res van die lede. Sondagoggend was kerk wat deur Andre Potgieter waargeneem was en voorsitterstee.

Oud en jonk het die naweek geniet en het almal lekker geswem.

IETS VIR DIE MANS

Real men take care of and support their families always, in all ways. The greatest honour and duty any man can have bestowed on him is the honour and the privilege of being put in a position where his purpose in life is to support, love, protect and provide for a family. There is no greater love than the love a woman gives to a man.

There is no greater gift in life than when a woman bears a man's children. The least you can do is take responsibility and give your life to them.

The greatest problem facing the world today are men, sorry, "males" who do not stand by and provide for their families. It is, in this man's opinion, the greatest evil and the greatest sin one can commit against humanity when a man does not provide for and support his wife (mother of his kids) and children. I truly believe that if it were not for the love and commitment of single moms (who for the most part are abandoned by males) this world would be in a greater state of anarchy than it is today.

Real Men stand by their wives, girlfriends and lovers. Real Men provide for and are role models to their children. There can be no excuse for a man not supporting, providing for and loving his family. Yes, this is another one of those pesky actions that Real Men do every day because they care and love their families; they do this because they are Real Men.

THE REWARD

- You my friend, will change the world.
- You will be regarded as a Real Man.
- You will be the envy of other males.
- You will create and leave a legacy for generations to come.
- You will know and experience the true love of a woman.
- You will experience and know the true love of a child.
- You will be someone's hero.
- You will be a man amongst men.

Oh, but if you need to look for a reward for doing this you are a chop.

THE HOW TO

1. There is no manual on how to stand by and provide for your family. You do not need one because you know what to do and how to do it. Yes, it does take time, patience and sacrifice. You have all of these skills in abundance. If you do it right (hell even if you do it wrong), you will learn more about yourself than you will ever teach them. If you do it consciously – having a family will show you so much about yourself and what you need to change.
2. Your wife and your children are gifts from God. They give you a purpose in life. They inspire you to do great things and to learn the true meaning of the word's sacrifice and unconditional love. If you allow them to show you – yourself, you will receive joy beyond words or imagining.
3. It's not really that difficult. Someone once said that all we can do for our children is to love them unconditionally and give them a good education. Sigmund Freud said the greatest gift you can give your children is to love their mother. So, you love by doing and being there. You give them all of you; by your actions and the role model behaviour you give them an outstanding informal education; and you love them and their mother unconditionally.
4. Woman and children spell the word love -T I M E. Spend the time and they will feel the love. Be with them, support them, encourage and provide for them, and you will have little else to do.
5. It is true that Real Men love a good challenge. You will never find a greater challenge than the challenge of raising well-rounded, special children. A greater challenge still will be to love, honour and understand a woman. Believe it or not, a lot of men actually do understand women. Are you ready for the challenge of your life? If so go to it with passion, courage and a sense of humour.
