VEILIG SLEEP!

I've learned a lot this year.. I learned that things don't always turn out the way you planned, or the way you think they should. And I've learned that there are things that go wrong that don't always get fixed or get put back together the way they were before. I've learned that some broken things stay broken, and I've learned that you can get through bad times and keep looking for better ones, as long as you have people who love you.

Use your voice for kindness, your ears for compassion, your hands for charity, your mind for truth, and your Heart for Love.
