Hi everyone

We would like to thank you all for choosing to stay with us over this past weekend. It was great having you all and I trust that you had a relaxing, fun time with us. A special thank you to Francois for being our "hero of the weekend" with his great 4 x 4 skills in getting everyone out in once piece (although I know that he had great fun doing it!) AND for being the person who recommended SAWA visit us! Secondly, thanks to Neels for the great "sing along" evening on the deck on Saturday evening – you rock!

Kind regards

Lynne Pepler, Managing Director, Kedu River lodge., 22 Oorbietjies Street, Lindequesdrift
